**ATTACHMENT TO NOTICE OF ALLOWABILITY**

***Allowable Subject Matter***

Claims 6, 7, 9, and 16-19 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to Claim 6, the prior art of record teaches many of the elements of the claimed invention, including an x-ray machine comprising: a patient-support device comprising: an arched arm; and a base, wherein an x-ray detector or an x-ray source is supported on the arched arm and displaceable in the direction of the arch of the arched arm; wherein the arched arm is supported by the base and is displaceable in the direction of the arch of the arched arm; and the other of the x-ray detector or the x-ray source is supported movably in all directions in space.

However, prior art fails to teach or fairly suggest the machine wherein said other of the x-ray detector or the x-ray source is further located separately from the patient-support device, in the manner required by Claim 6.

Claims 7, 9, and 16-19 are allowable by virtue of their dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
